DIXIELAND MONTEREY'S
Instrument Rescue Project

Introducing YOU to Dixieland Monterey's Instrument Rescue Project

In a nutshell, our rescue program seeks out old, forgotten or neglected instruments, breathes new life into them and unites them with a fresh face. We collect, repair, and recondition these pre-loved instruments so they are like new. Finally we match them up with needful, aspiring young musicians and the process begins again! Recycling, at its musical best.

HOW IT WORKS:

- Contact us with your donation of tired or forgotten musical instruments of any kind.
- Our local Jazz Bash musicians check them out for viability.
- Professional crafts people repair and/or recondition the old-timers.
- Schools, teachers and local musicians help unite needful students with the refurbished instruments.
- When the time comes, the rehabbed instruments are welcomed back for the next student.

HOW TO DONATE INSTRUMENTS:

Please email us at info@dixieland-monterey.com with a description and a photo, if possible, of the instrument(s) you are offering for donation, or call us at ~~831.659.0436~~ 624-1933. Once your donation has been confirmed, arrangements can be made for pick-up, drop-off, or shipment, if necessary. Instrument donations are tax-deductible as allowed by law. We suggest donors get an appraisal for their records.

Professional repairs and administration costs must be met by monetary donations. Every little bit counts. No contribution is too small.

How YOU Can Support the Instrument Rescue Project

● Donate an instrument.

If you live locally we will pick up your instrument and have our experts evaluate it to make sure it can be renovated.

If you live at a distance, please send a photo or describe it over the phone. If acceptable, we will make arrangements for shipping the instrument to us.

● Make a contribution.

If you don't have an instrument but you'd like to make a contribution to support the project, please go online and click the *Donate* button or mail your contribution to the address below.
